

Financial Assistance Summary

- The hospital will consider any eligible patient receiving medically necessary services.
- Eligibility will be based on Federal Poverty Guidelines. Patients may be deemed as full charity or partial charity depending on their income bracket.
- Applications, documentation requirements and income guidelines can be obtained in person at the hospital's business office or on the hospital's website: www.CullmanRegional.com.
- Applications will be accepted up to 240 days from original billing date.
- Documentation regarding proof of income and family size is required to complete the application.
- The application only applies to the hospital and its employed physicians. No other providers are included with the hospital's application.
- Waivers to complete the application may be extended to Medicaid recipients and Good Samaritan enrollees.
- You will be notified of the status of your application once it is submitted and reviewed by hospital management.
- Questions regarding the application can be answered in person at the hospital business office (located off of the main hospital lobby) or by calling Customer Service at 256-737-2986.
